Download Youtube Chrome

A free chrome extension to download Youtube videos on your computer, works for both Mac and Windows.

After the extension is installed in your chrome browser, you can easily download any Youtube videos on Youtube by clicking the download links under the videos as the screenshot shows on left.

[Download Chrome Extension Now!](#) or download [Airy Youtube Downloader](#) for Windows.

Due to Google dislike people downloading Youtube videos and not allowing installing Chrome extensions from outside of Chrome Web Store, please following the installation guide below to install the extension.

Installation Guide:

1. Download the extension zip file by clicking the Download button above.
2. Unzip the zip file on your local hard drive.
3. Copy & Paste "**chrome://extensions**" to your browser address bar.
4. Tick the check box of **Developer mode**
5. Click the **Load unpacked extension** button
6. Locate the unzipped folder on your computer and click Open.
7. Go to Youtube and enjoy downloading!

Note: next time you open Chrome, it might pop up a message to ask you to disable the extension, simply click Cancel to ignore it if you want to keep the extension.
