title: Aoi Character Pack
category: 3D Models/Characters/Toons
publisher: Game Asset Studio
rating: 5 stars
description: Requires Unity 4.3.4 or higher.
This product is a Japanese anime style character set.
The second Japanese anime style character is released from Game Asset Studio. Doing things at her own pace, cool female character Aoi Kiyu has arrived.
In addition to 13 models in various types of outfits such as school uniforms, plain clothes, swimsuits, pajamas, and exercise outfits, this pack also includes 62 animations like walking, jumping, greetings, and fighting.
With this pack, it's possible to accommodate a wide range of genres such as action games, romantic adventure games, and fighting games.
These assets are compatible with both legacy and Mecanim animation systems.
Also, low, middle, and high poly count versions of these models are included.
By using the assets provided by the Game Asset Studio team, the quality of the game you're making will improve dramatically.
